We are hungry!

It is a sunny and warm Saturday. Mary and Susie are in the kitchen. 'I am hungry!' says Mary. 'Let's make a sandwich!' replies Susie.

When Mary and Susie look into the fridge, they find some cheese, butter and ham. 'Let's make an open sandwich!' says Mary. 'Hurray! It's a good idea!' replies Susie. 'Oh no! There isn't any bread.' says Mary, 'What can we do?'

Then they go to the supermarket to buy some bread. They are excited about making the open sandwich.
