**A Reply Email to Miss Feng**

Recipient: Miss Feng

Sender: Yoyo

Subject: Hello

How are you? Nice to meet you. I don't have any pets at home. I am 132 cm tall. I am 27 kg. I have a small nose and a small mouth. I have big eyes too. I like playing football in the sports centre on Sundays. Reading is a fun indoor activity. I always read comics and collect stamps on Saturdays. How about you?

My best friend is Kelly. She is 149 cm tall. She has long arms and long legs. She likes playing football too. She plays football in the playground on Mondays. Kelly always plays basketball with me on Mondays.

I am 17 cm shorter than Kelly and Kelly is the tallest girl in the class.

I look forward to hearing from you soon.

Yoyo

**When I was little**

Dear Frank,

I am fine, thank you. How about you?

When I was little, I couldn't comb my hair and do up my buttons. My mom helped me. I could get dressed when I was three years old. I could climb the stairs when I was five years old. I could carry my school bag when I was six years old. I could ride a bike when I was seven years old.

Now, I can comb my hair by myself. I can get dressed and do up my buttons by myself. I can tie my shoelaces by myself. I can carry my school bag by myself. I can climb the stairs by myself. I can go to school, ride a bike and wash my hair by myself. However, I can't cook.

I am looking forward to your letter again.

Love,

Jenny

### **Itinerary: A 3-day trip in Hong Kong**

My pen friend Steve and his family from Canada are going to visit Hong Kong. They will stay in Hong Kong for three days. I am planning an itinerary for him and his family.

On the first day, we will go to Lantau Island by MTR and then by bus. We will visit the Big Buddha. After that, we will ride on the cable car there. While riding on the cable car, we can see the beautiful view there.

On the second day, we will go to Hong Kong Wetland Park by MTR and then by taxi. We will see the animals and plants. We will look at the crocodile Pui Pui. The crocodile Pui Pui was saved several years ago. Hence we are very excited to visit it.

On the third day, we will go to Disneyland by MTR. We will see a lot of cartoon characters. We will take photos with Mickey Mouse. It is because Mickey Mouse is our favourite character.

### **The direction**

My class is having a treasure hunt in the school. I will tell my classmates the instructions of direction to find the treasure.

First, go out of 3E classroom. Turn left. Go straight ahead to staircase No.2. Go downstairs to the ground floor.

Then, walk straight ahead. The Music Room is on your left. It is next to the Visual Arts Room.

Inside the Music Room, we will find our treasure.

Healthy Eating Advice for Sue

Sue has an unhealthy eating habit. For vegetables, she eats a few tomatoes, a little broccoli and a few peas. For meat, she eats a lot of pork, a lot of beef and a lot of chicken. For junk food, she eats a lot of French fries and a lot of potato chips.

She needs to eat more vegetables such as broccoli, tomatoes and peas. She needs to eat less meat. Eating too much meat makes her fat. She needs to eat less fried food. Too much fried food is unhealthy for her.

### Frank's Sweet Tooth

Frank had a sweet tooth. All he could think about all the time was candies, candies and more candies. One morning, he awoke early. 'Ohhhh! Frank moaned. He felt a sharp pain on the right side of his mouth. The pain grew stronger. I have a horrible, terrible toothache.' Frank moaned and cried. He moaned and groaned so loudly he woke up Mum. 'What is wrong?' Mum asked. 'Why is Frank moaning and groaning so loudly?' Dad asked. Mum said, 'Oh! Frank has a toothache! What shall I do?'

Then, Mum took Frank to the dental clinic. The dentist checked Frank's teeth and said, 'This is a sweet tooth!' Frank said, 'I am scared.'

After that, the dentist said, 'This is a a poster about dental health. It tells you how to brush your teeth properly every day. Frank said, 'OK!'

In the end, Frank learnt how to keep his teeth strong and healthy. First, eat less salty food, fried food and sugary food.

Second, brush the teeth every morning and night.' Frank said, 'I will brush my teeth every morning and night. I will also eat less junk food.'

#### **A shopping experience**

Last Monday afternoon, Amy was at the supermarket with Mum. Amy asked, 'Mum, do you want to buy potato chips?' Mum said, 'No!' Then, Amy put a bottle of water and a tin of nuts in a trolley.

Amy wanted to buy a packet of potato chips. Mum refused and said, 'Do not buy any potato chips!'

Five minutes later, Amy walked away and went to the checkout. Amy took out ten dollars. She took a packet of potato chips.

In the end, Dad came to the checkout. Dad found a packet of potato chips and picked it up. He shouted, 'I like potato CHIPS!' Mum did not say anything and walked away to the exit. Dad looked at me and said, 'Get a carton of orange juice for Mum and say "sorry" to her. You should listen to Mum.' I said, 'Sure! Thank you, Daddy! I am sorry.'
