

**Tidy up the toys**

One day, Bella and Tommy played messily. They chased after their dog. Mum stepped on the toy car and fell down. Mum yelled loudly, ‘Ouch! Why don’t you tidy up the toys after playing?’

Next, Mum talked to Bella and Tommy patiently. She said, ‘You should tidy up after playing and put the toys in the box. You shouldn’t leave the toys on the floor because it is dangerous.’ They felt so sorry.

However, Bella and Tommy quarreled with each other because they did not want to tidy up their toys. They shouted at each other rudely. Tommy said, ‘You do it!’ ‘No you should do the tidy up!’ said Bella. Tommy asked, ‘Why?’ Bella replied, ‘Because you played the toys!’

In the end, Mum came and said patiently to Bella and Tommy. ‘Both of you played the toys together. Both of you should tidy up the toys together.’ Tommy and Bella worked together to put the toys away. Mum felt gratified.
