

Bad Bella and Tommy

On a sunny Sunday, Bella and Tommy played messily at home. Their mother fell down because there were too many toys on the floor. Mum said angrily, 'Please tidy your toys!'

Bella and Tommy felt sorry but Mom changed her mind. She said, 'Stand one hour for your mistake! 'One hour later, Mom reminded them.' Put the toys into the box. Then mom went to a market. Then Bella and mad tommy started to quarrel with each other. They were so mad. Tommy yelled you should tidy the toys!' Bella shout back 'No , you should do it!'

Suddenly, their mother came back. 'No one tidy the toys.' She yelled. Their mom thrown all of their toys and never bought toys for them too. After that they get on well with each other.
