

CHEUNG SHA WAN CATHOLIC PRIMARY SCHOOL JANUARY NEWSLETTER

* Happy New Year *

Our Cheung Sha Wan Catholic Primary School family would like to wish you a new year filled with joy, peace, and great health. We appreciate your immense support and collaboration with us, so we all help the children grow and learn all around and positively. Let's look forward to an even more fruitful and blissful 2022!

2022

All the children and teachers had a festive and fun December last month. Everyone engaged in various learning activities and trying new challenges during ECA.

Fun Activity Day was held on two separate dates, and all children joined sports games, Christmas decoration, and booth games about positive education. P1 children celebrated their 100th day at our school. During the Christmas Prayers Ceremony and Party, we thanked God for giving us His only son, and thanked Him for a challenging but joyful 2021. We also prayed for good health for everyone in the world and His blessings showered on all of us.

2022 may be full of obstacles, but with God's strength, we believe that we can overcome every test and be our better selves.
